CAPITAL GETS UNION STATION.

House Passes the Senate Bill for a
Railroad Building to Cost \$4,000,000.
Anthracite Coal Strike Commission
Bill Was Sent to Conference.

Washington, Dec. 16.—The senate
yesterday discussed the bill to pro-
mote the efficiency of the militia and
also the omnibus statehood bill. Af-
ter agreeing to the concurrent resolu-
tion of the house for an adjournment
from Dec. 20 to Jan. 5, Mr. Proctor
called up the militia bill.

An amendment by Mr. Pettus strik-
ing from the bill section 24, having
particular reference to the reserve
force of trained men, provoked some
discussion. Mr. Pettus raising the
point that the section if enacted into
law, would be an infringement of the
constitutional authority of the states,
and put the control of the militia of
the several states into the hands of
the general government.

The bill was laid aside for the om-
nibus statehood bill. Senator Dilling-
ham, of Vermont, who is opposed to
the bill, occupying the time of the sen-
ate for the remainder of the day in
rehearsing the testimony taken by the
sub-committee of the committee on
territories during its tour of investi-
gation in Arizona, New Mexico and
Oklahoma.

After a brief executive session the
senate adjourned.

In the House.
Washington, Dec. 16.—The house
yesterday passed the senate bill for
a union railroad station in this city
to cost \$4,000,000. The station is to
be situated north of the present site
of the Baltimore and Ohio depot at
Delaware and Massachusetts avenues,
and in front of it is to be a large
park. The Pennsylvania railroad by
the terms of the bill is to remove its
tracks from the mall and reach the
site of the proposed station through
a tunnel to run between the capitol
and library buildings. The govern-
ment is to pay the Pennsylvania rail-
road \$1,500,000 and the Baltimore and
Ohio \$500,000, in addition to providing
for the plaza park. The house also
passed an urgent deficiency bill,
which carried, among other items, an
appropriation of \$500,000 for eradi-
cating the foot and mouth disease in
New England. A bill was passed to
provide for the allotment in severalty
of the lands of the New York Indians.
The bill provided that prior to the al-
lotment the claim of the Ogden Land
company should be decided in the
courts and if found good it should be
purchased for the benefit of the In-
dians for a sum not exceeding \$200,-
000.

The senate amendments to the strike
commission bill were disagreed to and
the bill sent to conference. The
speaker appointed Messrs. Canton,
Barney and Livingston conferees on
the part of the house.

At 5:30 the house adjourned.
